

The Promises of SLAA

If we are painstaking about this phase of our development, we will be amazed before we are half way through.

- 1. We are going to know a new freedom and a new happiness.**
- 2. We will not regret the past nor wish to shut the door on it.**
- 3. We will comprehend the word serenity and we will know peace.**
- 4. No matter how far down the scale we have gone, we will see how our experience can benefit others.**
- 5. That feeling of uselessness and self-pity will disappear.**
- 6. We will lose interest in selfish things and gain interest in our fellows.**
- 7. Self-seeking will slip away.**
- 8. Our whole attitude and outlook upon life will change.**
- 9. Fear of people and of economic insecurity will leave us.**
- 10. We will intuitively know what to do in situations that used to baffle us.**

Are these extravagant promises? We think not. They are being fulfilled among us -- sometimes quickly, sometimes slowly. They will always materialize if we work for them.
